Education

Anticipated BS in Computer Science from Brigham Young University. December 2009.
Relevant Coursework: CS 142, Intro to Programming (Java); CS 240, Advanced Programming Concepts (C++); CS 235, Data Structures; CS 236, Discrete Mathematics (databases).

Work Experience

May 2008 - Present: Web Developer at BYU Broadcasting.

June 2007 - November 2007: CG Artist/Programmer at Eggington Studios.

Responsibilities included lighting, rendering, and compositing for a children's show called *Andy's Airplanes*. Additionally wrote software in Java to update files on the production server which greatly streamlined our work-flow.

August 2005 - June 2007: Video Technician at the BYU Comprehensive Clinic.

Responsibilities included support for multimedia presentations and hardware throughout the clinic.

May 2002 - September 2002: Maintenance crew for Asphalt Doctor. Responsibilities included cleaning, repair, and striping of parking lots.

Volunteer Experience

Winter 2006: Worked in compositing for BYU's *The Lion and the Mouse*, a hand-drawn animated short film.

Winter 2005: Volunteered as a tutor and classroom aide at an elementary school through the TOPS program.

2002 - 2004: Served as a missionary for the Church of Jesus Christ of Latter-day Saints in the Philippines San Pablo Mission. Responsibilities included leading groups of 4 - 12 missionaries.

2001: Achieved rank of Eagle Scout.

Software

Programming: Java, C, C++, XHTML, CSS, JavaScript, PHP, MySQL, MediaWiki, XML, ASP.NET, Visual Basic

3D: Maya, pmG Messiah, RenderMan

Video: Final Cut Studio, Avid, Adobe After Effects

Other: Windows, Mac OS, Linux, Microsoft Office, Photoshop

Hobbies

Competitive swimming, animation, video editing, writing a blog. Sundance Film Festival volunteer. Fluent in Tagalog. Achieved a high score of 167,600 on Donkey Kong.
